Last Night, I dreamed I could see a thief in the Seven Eleven trying to rob it. He wanted so much money, and some food to eat.

Suddenly, some people called 999 to help report the thief, but the thief heard someone was calling 999, so he killed the people. The thief was too late, because someone already called 999. The police came and the thief tried to run away, but there were so many police.

They put the thief in a cage. He cried and cried.

My Dream by P2 Isabella

Last night, I had a dream. I dreamed about fairies. They had funny rabbits and funny cats. They turned me into a fairy, too, and they played with me. They changed my name to Fira, and I said, "I like this name!"

Then, I woke up, and went to the mirror. I saw I had no wings, and I knew it was just a dream.

When I told my friend, they laughed at me and I asked, "What's wrong?" but they kept on laughing at me.

The Four Red Dragons by P3 Sebastian

Once upon a time there were four red dragons. These bad dragons could blow fire.

One day, the biggest dragon of the four decided he didn't want to be bad anymore.

He wanted to be good. The big dragon went to the King and said "I will help you to kill those three bad dragons."

The King said, "If you help us, I will reward you with 600 chickens for dinner!"

The good dragon went to the three bad dragons and said, "I have a joke for you:

How do you tell an elephant from a banana? . . . Try lifting it. If you can't get it off the ground, it's probably an elephant. Though, it might be a heavy banana."

Then, the dragons laughed so hard that they laughed to death.

The School Trip by P3 Ashley

We had a school trip yesterday. Mum, dad, and grandma came, too.

Our first stop was Tai Po Waterfront Park. We went to the lookout tower. It was very high, and some people were scared of heights.

Then, we went to the insect house. There were no real insects, only specimens and insect models. That was boring.

We went to the Railway Museum after lunch. I saw many old trains. The trains were red and green. They were interesting.

Our last stop was a dragon fruit farm. I drank some fresh sugar cane juice and fed goats. I was happy there. After that we went home. I felt very tired.

Cassandra, Jim & Tom

One day, Ninja Jim went to his friend Tom's lab. There was a strange machine inside.

"Hmm... What's this?" thought Ninja Jim. He started to press lots of buttons. The machine made lots of noise and a light flashed. "I feel strange," he said and walked to the mirror. "What?! I'm invisible!!"

Tom, the scientist, ran into the room.

"What happened?! Who made my machine explode?!" he yelled. He could not see Ninja Jim.

"Oh no! The lab is on fire!" yelled Jim.

"Who said that?" asked Tom.

"It's me, Jim! I'm invisible! Quick, Get some water balloons! Now!!!"

They threw water balloons and the fire went out, but the machine was smoking and ruined.

"That was dangerous!" said Tom. "I told you not to play with my machine. If we can't fix it fast, you'll be invisible forever!"

"OMG! I want to be a ninja, but I don't want to be invisible forever!" said Jim.

"How can we fix it?!"

Tom thought, "We need to get three things."

Homework adapted from a drama by P6 Sean (Continued from first side of newspaper.)

“Okay then, I’ll go,” replied Mr. Daniel. Kim was relieved and started the homework.
 “Oh, I forgot to tell you,” said Jacky. “KIM DIDN’T DO HIS HOMEWORK!!!”
 Kim was shocked and fell off his chair. His face became pale. He shivered and started to talk strange, saying things like, “Ahhh! My mum!...Hello?...What’s up?...My butt?!”
 Mr. Daniel screamed, “Oh my goodness! What’s wrong with Kim?!”
 “I don’t know. Let’s send him to the medical room, quick!” replied Jacky. But just then Kim suddenly stopped breathing and had no heartbeat. “Waaa! He’s dead!” cried Jacky.
 “Keep calm!” insisted Mr. Daniel. “I have a first aid license. Let me do CPR!”
 Ten minutes passed, and Mr. Daniel finally gave up, saying, “I can’t help him! Call 999! Send him to the emergency!!!”
 An hour later at the hospital, the doctor came out, bowed, and said, “Sorry. I’ve done my best, but I can’t-”
 Everyone was silent, but then Mr. Daniel spoke. “Well, maybe it’s good news for him. At least I don’t need to write in his handbook.”
