How are you? Do you feel happy today? Thank you for helping me with everything. On Father's Day, I will sing to you and give you some flowers. I want to tell you something: me, Neona, and Noel will say "Happy Father's Day!" I love you very much.

Dear Dad,
It will be Father's Day on the 17th of June. I am happy to say thanks to you. You always study and play with me. When I am sick, you take care of me. I hope you will be healthy and happy.

Happy Father's Day.

Dear Dad,
Thank you for buying me a Samsung phone. I can "What's app" mum after school and learn better English.

You also bought me a bicycle and you drive me to training classes every week. You ride with me every time. I know you are tired, but you keep on riding with me.

I want to say thank you and Happy Father's Day to you!

With love,
Adrian (P3)

Dear Dad,
I remember that when I was sick, you took me to the doctor. You took care of me well then. When I was sad, you made me happy. You love me so much.

You bought interesting books for me. When I didn't know how to do homework, you taught me how to do it. On this special day, I would like to tell you that I love you so much. You are the best dad in the world and I will be a good girl.

From
Gigi (P4)

Dear Dad,
My name is Chow Ronald. Your name is Chow Ngai Chiu Roland. What do you think about Ronald and Roland? The name Ronald is all about Roland. Do you know why? We have the same letters, but in a different order. I love you, Dad. All my face and body come from you. This is what we call "Like father, like son!" I will follow your way and work hard and play hard.

You always take care of others. I'm proud of you!

Happy Father's Day!
Love,
Ronald (P4)

Dear Dad,
How are you? I know when you go to work you are so tired. I understand you have to work to support our living.

When I was sick, you and mum took care of me. When I was so naughty, you taught me to be a good girl. When I taught Jason to play some tricks, you were angry and punished me.

I promise I will be good in the future!

With love,
Judy (P5)

Dear Dad,
I have wanted to say "thank you dad!" for a long time. Do you remember when I was small you went fishing and cooked fish for us. That fish was yummy. That fish was better than all the other fish. I have never eaten another fish better than the fish that you cooked.

Do you remember I always helped you? I thought you would not remember that. And I always played with your hair because I thought your hair was interesting. I want to see you again in the future.

With love,
Etta (P5)

Dear Dad,
Hi! How are you? Do you Remember when I was little, like three or four years old, I broke my arm? I guess you still remember. I was really naughty and while we were crossing the road you held onto me. I tried to hold mom's hand but you held onto me tight so my shoulder kinda popped out.

I cried and cried and said that you were bad. I couldn't move my arm. But you weren't angry with me and stayed with me until my arm healed.

I'm very sorry. I shouldn't have said bad things about you. Thank you for killing all those annoying bugs when I was scared.

Thank you very much, and happy Father's Day.
From you daughter,
Joycelyn (P6)

Dear Dad,
I remember you have always helped me kill all the insects, because I am very scared of insects, but you aren't scared of them. You are always very brave and protect me from them.

I like shopping. Although tomorrow you have to work, will you spare your time to go shopping with me?

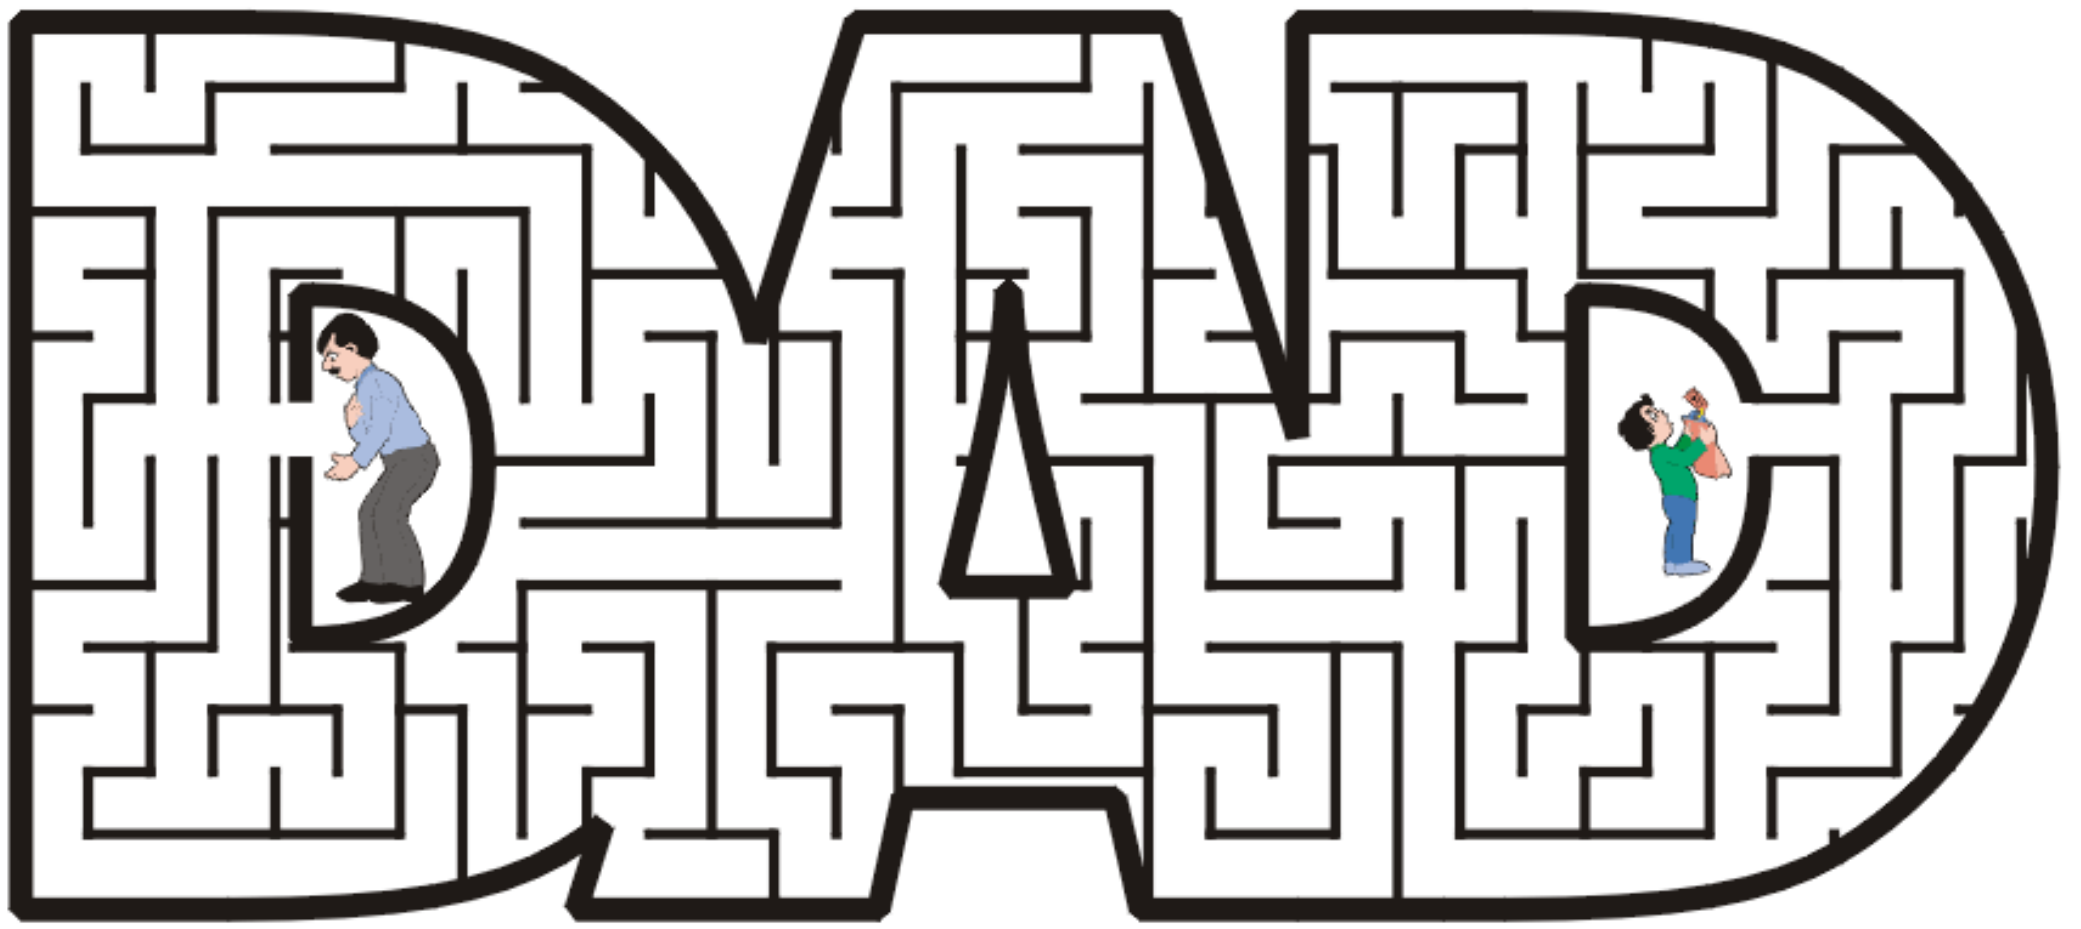

You really love me. You always give the things you have to me.

When you become old, I will love you and look after you. I will not leave you. I will give all the great things to you, too!

Today is Father's Day. Thank you, Dad.

Website Recommendation

1) What is Poptropica?

I would like to introduce a website called Poptropica. It is a fun and addictive game. It is also a puzzle, strategy, and skill game. I like it because it is so so SO COOL!!!! The game is about finishing islands. (-which means finishing missions!)

2) What do you get when you finish an island?

If you finish an island you get 50 Poptropica credits, and if you are a member, you can get 10,000 Poptropica credits free!

3) What are the credits for?

The credits are for buying cool stuff in the store, like costumes, follower packs, and game cards. **HAVE FUN!**

4) How do you get an account?

- 1) Go to Poptropica.com
- 2) Click on 'New player'.
- 3) Select your **sex**. (Are you a boy or a girl?)
- 4) Select your **age**.

Then your character will come out. If it looks kind of ugly, just click on the selections like 'Change hair colour' and more. Now you can enter the world of poptropica!

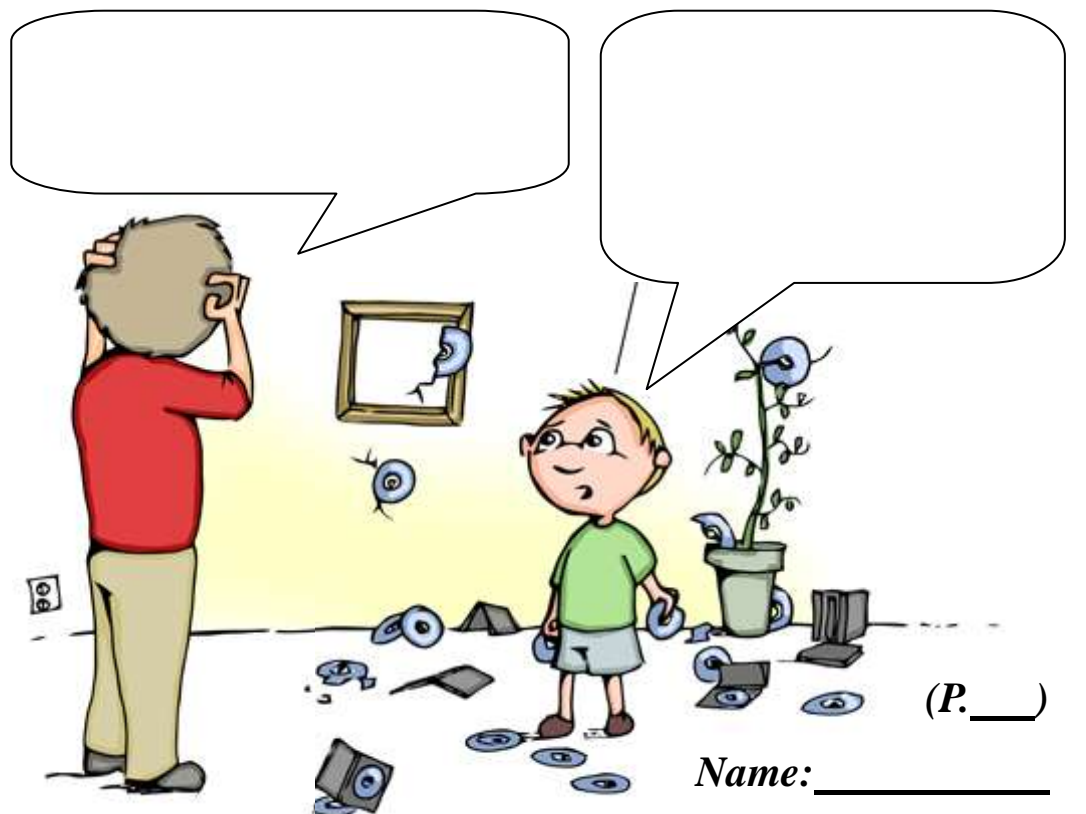

5) How do you finish an island?

Just use your brain and think. If you really don't know, go to youtube and look at the walkthroughs; then you will know.
