## Daniel's Book Review

I would like to recommend an author: **Dr. Seuss!** He wrote so many funny books, like *Green Eggs and Ham*, and *Oh Say Can You Say*. The illustrations are so crazy and imaginative. My favourite book of his is *I Wish That I Had Duck Feet*. It's about the interesting things you could do if you had animal parts, like duck feet, or a tail. I think it's best for P.2 and P.3.

You can find it in the school library. Enjoy!
